

The United States Probation Office of the District of Hawaii intends to procure services to implement a pre-apprenticeship construction training program that is designed to assist offenders reentering the community by providing job training and opportunities to enter the construction workforce. The program will be conducted within a correctional or custodial facility (In-house) or outside (Standard) in the community. Interested service providers must contact the U.S. Probation Office, District of Hawaii, 541-1283, no later than the close of business on May 18, 2009.
