Accessing the CJA eVoucher Program

Starting with version 6.10, you are required to use Login.gov to securely sign in to the eVoucher application. You must create a Login.gov account or use an existing Login.gov account and have a Single Login Profile (SLP) to access eVoucher.

Note: Login.gov is a separate application from eVoucher. If you run into any issues, you must contact Login.gov support via their Help center page at <https://www.login.gov/contact>.

Follow the instructions in the next section to create your Login.gov account. Click the following links for additional information about Login.gov and helpful tips for creating your account.

Learn about our new sign in process.

All activities on this system for any purpose, and all access attempts, may be recorded and monitored or reviewed by persons authorized by the federal judiciary for improper use, protection of system security, performance of maintenance, and appropriate management by the judiciary of its systems. By using this system or any connected system, users expressly consent to system monitoring and to official access to data reviewed and created by them on the system. Any evidence of unlawful activity, including unauthorized access attempts, may be reported to law enforcement officials.

Your Login.gov account is now created and you are directed to add an authentication method. Continue to the next section and follow the instructions to complete this requirement.

Note: Once your Login.gov setup is complete, you will **ONLY** use the email address you entered and the password you created in Login.gov to access eVoucher, so it is important to remember them.

Adding an Authentication Method

Login.gov requires that you set up at least one authentication method when creating your account. However, it is recommended that you select **at least two authentication methods** on different devices so that you have an alternative way(s) to sign in to eVoucher if your primary method becomes unavailable.

Step 1

Select your first method of authentication, and then click **Continue**. Authentication methods include security keys, government employee IDs, authentication applications, text or voice messages, or backup codes.

Authentication method setup

Add another layer of security by selecting a multi-factor authentication method. We recommend you select at least two different options in case you lose one of your methods.

- Authentication application**
Download or use an authentication app of your choice to generate secure codes.
- Text or voice message**
Receive a secure code by (SMS) text or phone call.
- Backup codes**
A list of 10 codes you can print or save to your device. When you use the last code, we will generate a new list. Keep in mind backup codes are easy to lose.
- Security key**
A physical device, often shaped like a USB drive, that you plug in to your device.
- Government employee ID**
PIV/CAC cards for government and military employees. Desktop only.

Continue

Note: Every time you sign in to eVoucher you are required to authenticate, so make sure you use an authentication method that's easy for you to access. For these instructions, the **Text or voice message** option is selected.

Step 2

To authenticate by text or voice message, in the **Phone number** field, enter your phone number to receive a one-time code by text message or phone call, and then click **Send code**.

Add a phone number

We'll send you a one-time code each time you sign in.

Message and data rates may apply. Do not use web-based (VOIP) phone services or premium rate (toll) phone numbers.

Step 4

Once your code has been successfully authenticated, you are prompted to add another authentication method (recommended). Click **Add another method** and follow the previous steps to create a second authentication method.

Note: It is recommended that you use a different device for your second authentication method, even if you choose the same setup option. For example, if you chose text or voice message as your first method, you can do the same for the second, as long as you use a different phone number.

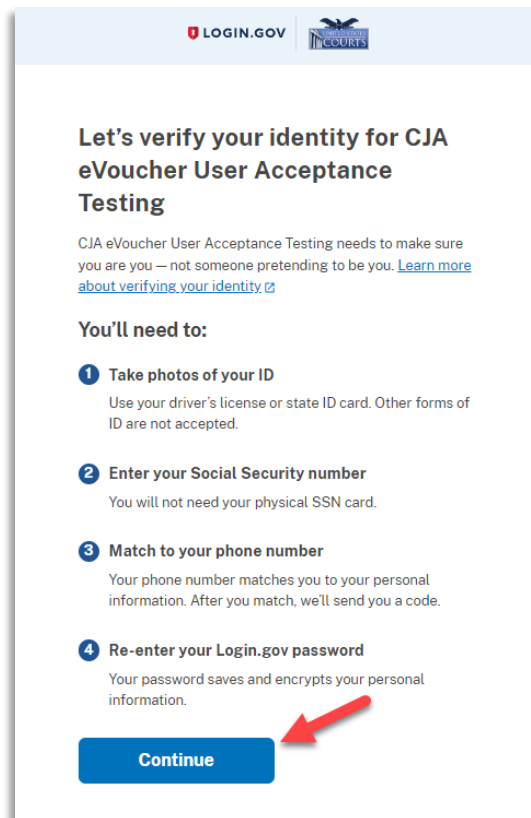

Identity Verification

To access eVoucher, you must verify your identity by uploading an acceptable form of identification (driver's license or state ID). This added security measure is to ensure that you are you and not someone pretending to be you.

Note: This is a one-time identity verification; if you have previously proven your identity through Login.gov, you are not required to do this again.

Step 1

If you've previously created a Login.gov account, you will be asked to verify your identity after signing in to Login.gov from the eVoucher sign-in page. If you're in the process of creating your Login.gov account, this step automatically appears after you've established your multi-factor authentication method(s). Click **Continue**.

The screenshot shows a web page for identity verification. At the top, there are logos for LOGIN.GOV and CJA. The main heading is "Let's verify your identity for CJA eVoucher User Acceptance Testing". Below this, a paragraph explains the purpose: "CJA eVoucher User Acceptance Testing needs to make sure you are you — not someone pretending to be you. [Learn more about verifying your identity](#)". A section titled "You'll need to:" lists four steps: 1. Take photos of your ID (with subtext: "Use your driver's license or state ID card. Other forms of ID are not accepted."), 2. Enter your Social Security number (with subtext: "You will not need your physical SSN card."), 3. Match to your phone number (with subtext: "Your phone number matches you to your personal information. After you match, we'll send you a code."), and 4. Re-enter your Login.gov password (with subtext: "Your password saves and encrypts your personal information."). At the bottom, there is a blue "Continue" button with a red arrow pointing to it.

Step 2

To continue, select the check box allowing Login.gov to ask for, use, keep, and share your personal information to verify your identity, and click **Continue**.

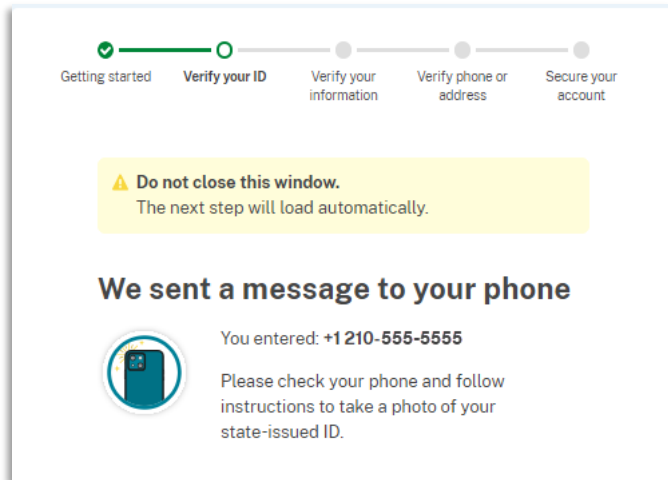

Step 3

Choose an option for adding your identification information. One option is to upload photos of your ID from your phone, and the other option is to upload them directly from your computer.

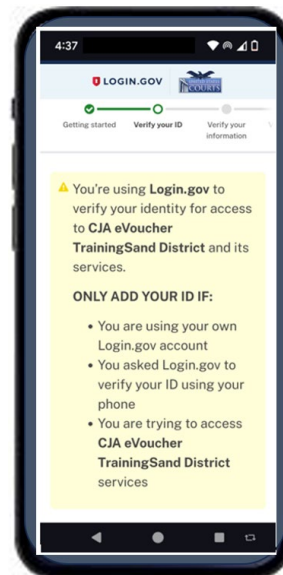

Option 1: Upload photos from phone (recommended)

Option 1

1. Click **Send link**. A message appears, prompting you to check your device for a text message with instructions for taking a photo of your ID to verify your identity.

2. Tap the link in the text message. A message appears, confirming that you are attempting to verify your identity to access eVoucher. Scroll down for additional instructions.

3. Tap **Take photo** to switch your phone to the camera function. Take a photo of the front of your ID card. Scroll down and tap **Take photo** again to take a photo of the back of the card. Verify that each image appears in the appropriate box, and then, tap **Submit**.

4. Login.gov verifies your identity from your photos, and prompts you to switch back to your computer to complete the process.

Continue to Step 4 to complete the identity verification process.

Option 2: Upload photos from your computer

Option 2

1. Click **Upload photos** to upload photos of your ID from your computer.

2. You can either drag photos of the front and back of your ID from your computer and drop them in the appropriate boxes, or click the **choose from folder** link to browse for and select the photos to add. Once the photos are uploaded, click **Submit**.

Step 4

Once your identity has been verified, Login.gov verifies your name, date of birth, and address using your Social Security number (SSN). In the **Social Security number** field, enter your SSN, and then click **Continue**.

The screenshot shows the Login.gov verification interface. At the top, there are logos for LOGIN.GOV and Superior Courts. Below the logos is a progress bar with five steps: 'Getting started' (checked), 'Verify your ID' (checked), 'Verify your information' (current step, highlighted with a green circle), 'Verify phone or address' (unchecked), and 'Secure your account' (unchecked). A green notification box states 'We verified your ID'. The main heading is 'Enter your Social Security number'. Below this, there is explanatory text and a link: 'We need your Social Security number to verify your name, date of birth and address. [Learn more about how we protect your sensitive information](#)'. A section titled 'Don't have a Social Security number?' provides instructions and a link: 'You must have a Social Security number to finish verifying your identity. [Exit Login.gov and return to CJA eVoucher User Acceptance Testing](#)'. The 'Social Security number' input field is highlighted with a red box, showing an example '123-45-6789' and a masked input field with dots. Below the input field is a checkbox labeled 'Show Social Security number'. At the bottom, a blue 'Continue' button is highlighted with a red arrow pointing to it.

Step 5

Your name, date of birth, and address are imported from your ID; verify the information is correct. If any of the information has errors, click the **Update** link next to it and make necessary corrections. Once your information is correct and complete, click **Submit**.

Note: You have five attempts to verify your personal information, after which your account will be locked. To unlock your account, contact Login.gov.

From the **Accounts** menu, click the court account in which you wish to work.

Single Login Profile vs. Court Profile

Below are tips on how to identify which court account you are in and who you are within that court.

The screenshot shows the CJA eVoucher interface for a user named David D Attorney. The interface includes a header with the text "CJA eVoucher - Train District Court" and "SDSO Training - Release 6.4.0.0". Below this, the user's name and role "David D Attorney (Attorney)" are displayed. A navigation menu contains links for Home, Operations, Reports, Links, Accounts, Help, and Sign out. A dropdown menu is open under the "Accounts" link, showing "Circuit - Attorney" and "District - Attorney". In the top right corner, a welcome message "Welcome, David Attorney" is followed by a profile icon and a dropdown menu with options for "Single Login Profile", "Court Profile", and "Sign out".

Numbered callouts in the image point to the following elements:

- 1. Court account to which you are signed in: Points to the "Accounts" menu.
- 2. Single Login Profile (SLP) username: Points to the "Welcome, David Attorney" text.
- 3. Profile icon: Points to the profile icon next to the welcome message.
- 4. Attorney/Expert court account username: Points to the user name "David D Attorney (Attorney)".
- 5. List of linked accounts to which you have access: Points to the "Accounts" dropdown menu.

1. **Court account** – This is the court account you selected from the **Accounts** menu, showing the account to which you are signed in.
2. **Single Login Profile (SLP)** – This profile is attached to a person. It connects multiple eVoucher accounts a user may have.
3. **Profile icon** – You can access your Single Login Profile (SLP) or court profile, or sign out from here. You can also access these options from the **Help** menu.
4. **Court account username** – This displays the court user you are signed in as, and your full name and user role as they appear for that court profile.
5. **Accounts menu** – From this menu, you can access all of the court accounts to which you are linked.

Expert vs. Expert Enter

CJA eVoucher allows two designations for experts to complete the voucher: **Expert** and **Expert Enter**. When the service provider signs in, he or she will see a list of all of his or her documents on the home page. The Expert role allows the service provider to sign in to eVoucher, view any documents the attorney is creating on his or her behalf, verify the information is correct, and run reports or copies of the CJA-21 or CJA-31.

The **Expert Enter** role allows the expert to complete his or her voucher after the attorney has created it. If the attorney selects an expert who has these privileges, he or she is able to choose if the attorney or the expert will complete the voucher. The expert can then enter the correct information and submit the voucher back to the attorney for approval.

CJA-21/31 Entry

The attorney creates the CJA-21 or CJA-31 voucher. If you have Expert Enter rights, the attorney can choose to let you enter the services and expenses. You will receive an email informing you that a voucher has been created on your behalf and that you can enter your information on the voucher.

Step 1

Sign in to the eVoucher application. The voucher should appear in the My Documents section of your home page.
