RE: REQUEST FOR PROPOSALS
[Revised RFP numbers below]

Dear Program Administrator:

The United States Probation for the District of Hawaii is soliciting proposals to provide treatment services for male and female federal offenders who are drug dependent, alcohol dependent, suffering from a psychiatric disorder, and/or in need of court-ordered sex offender treatment. The following is a list of service(s) we are soliciting:

Drug detection testing - Island of Maui (0975-18-UA-03M)

Substance abuse outpatient treatment - Island of Maui (0975-18-DAP-03)

These individuals include persons on probation, supervised release, or parole, who are under supervision of the United States Probation Office. This group could also include inmates in the United States Bureau of Prisons who are residing in federal or contract community treatment centers, as well as persons on Pretrial status under the supervision of United States Pretrial Services.

The Request For Proposal (RFP) contains the full text of all applicable Government regulations, and all offerors are subject to the provisions contained in the RFP. In responding to the RFP, you should answer fully each item and supply all information requested. Section "L" provides specific directions for potential vendors in completing their proposals. The minimum standards for the services listed are contained in the Clauses and Terms of Agreement, and all proposals will be evaluated by the criteria identified in Section "M."

Proposals will be awarded on the basis of initial offers submitted, and each initial offer should contain your organization's best terms from a price and technical standpoint. There will be no additional opportunity to modify your proposal.

Please read the RFP carefully; do not rely on knowledge of previous RFPs, or knowledge of previous federal procurement procedures.

The estimated monthly quantity (EMQ) listed in Section "B" of the RFP is the estimate of the services to be provided during the term of this agreement. It is only an estimate. Although the Government may choose to enter into a Blanket Purchase Agreement with multiple vendors, the Government reserves the right to award to a single vendor.

The term for this Blanket Purchase Agreement is twelve (12) months, with a provision that shall allow the Government to unilaterally extend the agreement for an additional two (2) years, at the Government's discretion.

A vendor must be capable of providing all services identified in Section "B" and within the geographic area identified in Section "B."

All questions regarding the RFP must be submitted in writing to the U.S. Probation Office by July 31, 2017, to Kimberly Caspillo via fax number (808) 541-1345 or email address uspohi_treatment@hip.uscourts.gov. Responses will be sent out to all vendors who received this letter by August 7, 2017.

The RFP is accessible for download online at www.hid.uscourts.gov. Refer to the Treatment Services section under the U.S. Probation Office link. If you are unable to download the RFP, please contact Kimberly Caspillo at (808) 541-3411 for a copy.

For all proposals, an original and two (2) copies must be received no later than **4:00 p.m. on August 21, 2017**, at 300 Ala Moana Blvd., Room 2300, Honolulu, Hawaii 96850. **Please do not resubmit a blank copy of the RFP** with the proposal.

All copies must be originally signed. A copy of the Blanket Purchase Agreement, Clauses and Terms of Agreement, should be retained by the vendor for their files. **Please do not submit proposals in binders or notebooks or with tabs.**

In your review of the RFP requirements, if applicable, please note the **Local Needs section** for the modification to the Description/Statement of Work.

Please note that federal clients are to receive priority placement in the treatment programs and a contractor's ability to discharge a federal client without the involvement of the Probation or Pretrial Services Officer is limited.

Sincerely,

Kimberly Caspillo
Contracting Officer
