RE: REQUEST FOR PROPOSALS

Dear Program Administrator:

The United States Probation for the District of Hawaii is soliciting proposals to provide transitional and emergency housing services for male federal offenders who are in need of transitional and or emergency housing. The following is a list of service(s) we are soliciting:

Transitional and/or Emergency Men's Housing) – catchment to include the cities of Honolulu, Aiea, Pearl City, Waipahu, Ewa Beach and Kapolei.

These individuals include persons on probation, supervised release, or parole, who are under supervision of the United States Probation Office. This group could also include inmates under the authority of the United States Bureau of Prisons, as well as persons on pretrial status under the supervision of United States Pretrial Services.

The Request For Proposal (RFP) contains the full text of all applicable Government regulations, and all offerors are subject to the provisions contained in the RFP. In responding to the RFP, you should answer fully each item and supply all information requested. Section "L" provides specific directions for potential vendors in completing their proposals. The minimum standards for the services listed are contained in the Clauses and Terms of Agreement, and all proposals will be evaluated by the criteria identified in Section "M."

Proposals will be awarded on the basis of initial offers submitted, and each initial offer should contain your organization's best terms from a price and technical standpoint. There will be no additional opportunity to modify your proposal.

Please read the RFP carefully; do not rely on knowledge of previous RFPs, or knowledge of previous federal procurement procedures.

The estimated monthly quantity (EMQ) listed in Section "B" of the RFP is the estimate of the services to be provided during the term of this agreement. It is only an estimate.

Although the Government may choose to enter into a Blanket Purchase Agreement with multiple vendors, the Government reserves the right to award to a single vendor.

The term for this Blanket Purchase Agreement terminates at the end of the current fiscal year, with a provision that shall allow the Government to unilaterally extend the agreement for an additional two (2) years, at the Government's discretion.

A vendor must be capable of providing all services identified in Section "B" and within the geographic area identified in Section "B."

All questions regarding the RFP must be submitted in writing to the U.S. Probation Office by 12/09/2019, to Kate McClory via fax number (808) 676-6598 or email address uspohi_treatment@hip.uscourts.gov. Responses will be sent out to all vendors who received this letter by 12/13/2019.

The RFP is accessible for download online at www.hid.uscourts.gov. Refer to the Treatment Services section under the U.S. Probation Office link. If you are unable to download the RFP, please contact Kate McClory at (808) 541-1458 for a copy.

For all proposals, an original and two (2) copies must be received no later than **4:00 p.m. on 12/23/2019**, at 300 Ala Moana Blvd., Room 2300, Honolulu, Hawaii 96850. **Please do not resubmit a blank copy of the RFP** with the proposal.

All copies must be originally signed. A copy of the Blanket Purchase Agreement, Clauses and Terms of Agreement, should be retained by the vendor for their files. **Please do not submit proposals in binders or notebooks or with tabs.**

In your review of the RFP requirements, if applicable, please note the **Local Services section** for the modification to the Description/Statement of Work.

Please note that federal clients are to receive priority placement and a contractor's ability to discharge a federal client without the involvement of the Probation or Pretrial Services Officer is limited.

Sincerely,

Kate McClory
Senior U.S. Probation Officer

PURPOSE OF SERVICES

The United States Probation Office (hereafter USPO) shall provide a Program Plan (Probation Form 45 - **Attachment J.1**) for each offender for whom services are authorized. The vendor shall provide services strictly in accordance with the Program Plan for each offender. The Government shall not be liable for any services provided by the vendor that have not been authorized for that offender in the Program Plan. C2.1 SCOPE OF WORK:

Project Code 3101 - Emergency and Transitional Housing - Unit: per day

(a) Project Code Description

Emergency and/or Transitional Housing is for defendants and offenders who require housing to assist in their reentry. Housing should not exceed 90 days, unless an extension is determined appropriate and approved by the Unit Executive. If the vendor requires a lease, any such agreement is between the client and the housing contractor; the Government is not a party to the lease agreement and bears no responsibility or liability for defendants or offenders.

(b) On-site inspections should be conducted prior to the award to ensure that the environment is conducive to the defendants/offender's rehabilitation without conferring luxuries or privileges. There is no separate provision for the payment of utilities, food allowances, etc., unless these services are included in the rent. The search for permanent residential options should continue during this transitional period. The USPO/USPSO should document these efforts. Officers must re-evaluate the need for this service at least every 30 days. Officers should consider a community service condition and/or adding job readiness, vocational training, and other suitable programming to compel defendants and offenders to work actively toward obtaining employment to help achieve self-sufficiency.

(c) Referrals only require as much information as needed for a vendor to assess any reasonably foreseeable third party risk.

(d) Requirements include on-site visits and may include co-payment, if ordered. For housing vendors that provide commercial services (available to the general public), Prob. 45s are necessary only for internal tracking. This project code is considered a severable service. Generally, the billing unit should be daily unless an advance payment is required. Advance payment is limited to 30 days and requires the housing to be a commercial service. Security Deposits may also be paid, but one time only. Upon termination, security deposits should be returned. Due to the variety of housing needs, vendor requirements were determined unnecessary for many vendors, such as hotel services, apartments, and housing through individual landlords, (commercial housing vendors). District staff have the option of assessing need or seeking competitive agreements for group homes or sex offender housing services. Housing solicitations for placement of multiple defendants and offenders requires that a Prob. 45 be issued to the vendor. If needed, the USPO/USPSO should fashion local needs for requirements such as curfew, no-show reporting, sign-in requirements, programming requirements, and accepting sex offenders. If vendor requirements are necessary, the Statement of Work and approved local needs must be provided to the vendor upon making the award. If the housing service is considered commercial and vendor requirements

are not needed, the waiver of liability, Attachment 3, of the statement of work must still be issued to the vendor. Housing is considered a severable service.

- (e) NOT APPLICABLE

K.2 PROVISIONS INCLUDED IN FULL TEXT

PROVISION 3-5, TAXPAYER IDENTIFICATION AND OTHER OFFEROR INFORMATION (APR 2011)

(a) Definitions.

"Taxpayer Identification (TIN)," as used in this provision, means the number required by the Internal Revenue Service (IRS) to be used by the offeror in reporting income tax and other returns. The TIN may be either a social security number or an employer identification number.

(b) All offerors shall submit the information required in paragraphs (d) and (e) of this provision to comply with debt collection requirements of 31 U.S.C. §§ 7701(c) and 3325(d), reporting requirements of 26 U.S.C. §§ 6041, 6041A, and implementing regulations issued by the IRS. If the resulting contract is subject to the payment reporting requirements, the failure or refusal by the offeror to furnish the information may result in a 31 percent reduction of payments otherwise due under the contract.

(c) The TIN may be used by the government to collect and report on any delinquent amounts arising out of the offeror's relationship with the government (31 U.S.C. § 7701(c)(3)). If the resulting contract is subject to payment recording requirements, the TIN provided hereunder may be matched with IRS records to verify the accuracy of the offeror's TIN.

(d) Taxpayer Identification Number (TIN): _____

TIN has been applied for.

TIN is not required, because:

Offeror is a nonresident alien, foreign corporation or foreign partnership that does not have income effectively connected with the conduct of a trade or business in the United States and does not have an office or place of business or a fiscal paying agent in the United States;

Offeror is an agency or instrumentality of a foreign government;

PROVISION 3-20, CERTIFICATION REGARDING DEBARMENT, SUSPENSION, PROPOSED DEBARMENT, AND OTHER RESPONSIBILITY MATTERS (APR 2011)

(a) (1) The offeror certifies, to the best of its knowledge and belief, that:

(i) the offeror and/or any of its principals:

(A) are ___ are not ___ presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any federal agency;

(B) have ___ have not ___, within the three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a

criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) contract or subcontract; violation of federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating federal criminal tax laws, or receiving stolen property;

(C) are ___ are not ___ presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision;

(D) have ___, have not ___, within a three-year period preceding this offer, been notified of any delinquent federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(1) Federal taxes are considered delinquent if both of the following criteria apply:

(i) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(ii) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(2) Examples.

(i) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(ii) The IRS has filed a notice of federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax

liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(iii) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(iv) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(ii) The offeror ___ has ___ has not, within a three-year period preceding this offer, had one or more contracts terminated for default by any federal agency.

(2) "Principal," for the purposes of this certification, means an officer; director; owner; partner or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division, or business segment, and similar positions).

This certification concerns a matter within the jurisdiction of an agency of the United States and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under 18 U.S.C. § 1001.

(b) The offeror shall provide immediate written notice to the contracting officer if, at any time prior to contract award, the offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

(c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the offeror's responsibility. Failure of the offeror to furnish a certification or provide such additional information as requested by the contracting officer may render the offeror nonresponsible.

(d) Nothing contained in the foregoing will be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the offeror knowingly rendered an erroneous certification, in addition to other remedies available to the judiciary, the contracting officer may terminate the contract resulting from this solicitation for default.

**PROVISION 3-30, CERTIFICATE OF INDEPENDENT PRICE DETERMINATION
(JAN 2003)**

(a) The offeror certifies that:

(1) the prices in this offer have been arrived at independently, without, for the purpose of restricting competition, any consultation, communication, or agreement, with any other offeror or with any competitor relating to:

(A) those prices;

(B) the intention to submit an offer; or

(C) the methods or factors used to calculate the prices offered.

(2) The prices in this offer have not been and will not be knowingly disclosed by the offeror, directly or indirectly, to any other offeror or contract award unless otherwise required by law; and

(3) No attempt has been made or will be made by the offeror to induce any other concern to submit or not to submit an offer for the purpose of restricting competition.

(b) Each signature on the offer is considered to be a certification by the signatory that the signatory –

(1) is the person in the offeror's organization responsible for determining the prices in this offer, and that the signatory has not participated, and will not participate, in any action contrary to paragraphs (a)(1) through (a)(3) of this provision; or

(2)

(i) has been authorized, in writing, to act as agent for the following principals in certifying that those principals have not participated, and will not participate, in any action contrary to paragraphs (a)(1) through (a)(3) of this provision

_____ (insert full name of person(s) in the offeror's organization responsible for determining the prices in this offer, and the title of his or her position in the offeror's organization);

(c) If the offeror deletes or modifies paragraph (a)(2) of this provision, the offeror shall furnish with its offer a signed statement setting forth in detail the circumstances of the disclosure.

Therefore, the offeror's initial offer shall contain the offeror's best terms from a price and technical standpoint. However, the judiciary reserves the right to conduct discussions if the contracting officer later determines them to be necessary.

SECTION M - EVALUATION FACTORS FOR AWARD

M.1 PROVISIONS INCORPORATED BY REFERENCE

This Section incorporates the following provisions by reference (see Clause B-1, Solicitation Provisions Incorporated by Reference, included in full text in Section L above, for further information about provisions incorporated by reference):

PROVISION NUMBER	TITLE	DATE
2-85C	Evaluation of Options Exercised at Time of Contract Award	JAN 2003
3-70	Determination of Responsibility	JAN 2003

M.2 BASIS FOR AWARD

Lowest price technically acceptable will be used as the basis for selecting a proposal for award. Award will be made to the responsible offeror whose proposal is technically acceptable and the lowest price. Proposals must conform to all required terms and conditions of this solicitation, include all required representations and certifications and meet all requirements set forth in this solicitation. Any finding of a deficiency, defined as an aspect of a proposal that fails to meet a minimum requirement, will cause an offer to be rated "Technically Unacceptable" and will therefore eliminate that offer from consideration for award.

M2.1. Factor 1 – Technical:

The Technical Approach to achieving the aforementioned statement of work above in section C will be reviewed by the judiciary to evaluate each technical proposal as acceptable or unacceptable, based on the following criteria. Each proposal will be evaluated to determine if it adequately demonstrates that the offeror: is proposing services meeting the minimum technical requirements stated in the solicitation; is proposing delivery of products by the required delivery date(s); and is capable of providing in a timely manner the services as required by the solicitation.

M.2.3 Factor 2 – Price:

The existence of price competition is expected to support a determination of price reasonableness. Price analysis techniques may be used to further validate price reasonableness. If adequate price competition is not obtained or if price reasonableness cannot be determined using price analysis of information in the proposals, the judiciary may request additional pricing information in order to determine that pricing is reasonable.

M.3 AWARD ON INITIAL PROPOSAL/DISCUSSIONS

As stated in judiciary provision 3-100, Instruction to Offerors, the judiciary intends to evaluate offers and award a contract without discussions with offerors. However, the judiciary reserves the right to conduct the discussions if the contracting officer later determines them to be necessary, or to make no award as a result of this solicitation. A technical evaluation shall be conducted on all proposals, after which the contracting officer shall decide whether to make award on initial proposals, make no award, or hold discussions. If the contracting officer decides to hold discussions, the contracting officer shall determine a competitive range and conduct fair

and equal discussions with each offeror in the competitive range. After completion of discussions, offerors shall be permitted to provide revised proposals by a common cut-off date.
