ORDER REGARDING ELECTRONIC DEVICES
IN JUDGE MOLLWAY'S COURTROOM

Pursuant to the General Order issued by Chief Judge Helen Gillmor on November 6, 2008, all attorneys of record are authorized to bring into the courthouse laptops, cell phones, and PDAs for the sole purpose of using the devices in connection with case-related proceedings in Judge Susan Oki Mollway's courtroom or chambers. Any attorney bringing an electronic device into the courthouse pursuant to this order shall inform the court security officers at the entrance to the courthouse of the time of the attorney's proceedings and the name of the case. Persons other than attorneys of record (including paralegals or other legal staff, parties, and witnesses) are not authorized by this order to bring electronic devices into the courthouse.

An attorney of record in a case before Judge Mollway is not authorized by this order to bring any electronic device into the courthouse when entering the courthouse for a matter other

than a hearing before Judge Mollway or a case-related conference with Judge Mollway.

No device may disrupt any court proceedings. For example, cell phones are always to be turned off upon entering the courthouse and turned on only with permission of court. In no event may any camera or recording function on any electronic equipment be used in Judge Mollway's courtroom or chambers to photograph or to record on video or audio discs or tapes any proceedings. Absolutely no witness or juror may be photographed in the courthouse by an attorney.

Anyone violating this order will be subject to sanctions. For example, if a cell phone rings during a hearing, the attorney carrying that cell phone is subject to sanctions. If a camera is used during court proceedings, the attorney will be subject to extremely severe sanctions, which may include a recommendation for suspension or disbarment by this judge.

Judge Mollway may modify this order at her discretion in specific cases or for specific proceedings. Thus, she may order that in a particular case no electronic devices are allowed.

IT IS SO ORDERED.

DATED: Honolulu, Hawaii, November 12, 2008.
